Happy Spring Pine Ridge!

Message From Pine Ridge Staff

If anyone is in need of various hygiene products, clothes, or food please contact Kendra or Amanda Richards. These items may be available for you.

If you have a towel bar inside your shower, please know we will be removing them for safety reasons. Please expect this change to occur during your annual inspection work orders. If maintenance is in your apartment to complete a work order prior to your annual inspection, the towel bar may be removed at this time.

MHC staff is working hard to get a new website up and running. Look for this change in the near future!
