Happy Summer Pine Ridge!

Message from Pine Ridge Staff

We would like to thank all tenants who helped plant flowers this spring! Your help is greatly appreciated and they look wonderful! Thank you for keeping your apartment in the best shape possible, inspections have been going great! Please continue to report work orders to maintenance or the office in a timely manner so we can continue to provide you safe housing.

We want to thank all tenants who are participating in recycling, we are enthused about "going green." The 6th and 8th floor tenants seem to have quite the competition going, keep it up!!

The Pine Ridge Maintenance Team will begin sorting through the bike rack the first week of July. If you have not registered your bike(s) yet, please make sure you stop by the office and pick up a 2016 sticker. Any bikes that do not have 2016 stickers will be removed.

Fourth of July Barbeque!

Please join Marquette Housing Commission Staff on Wednesday, July 6, 2016 at 2pm in the Community Room/Patio for a 4th of July celebration! We are excited to host our first summer BBQ with you! If you would like to bring a dish to share please do and make sure you come hungry. Feel free to contact staff for more information or if you are interested in helping. As you may have noticed we have furnished the patio with two new charcoal grills for all tenants, please enjoy!

Safety First

If you see the Maintenance Team outside cutting grass while you are enjoying the nice weather please make sure you give them enough space to safely maneuver around the lawn.

Wellness Clinic

Please join UP Home Health every third Friday of the month in the Community Room. They provide blood pressure and blood sugar screenings. You may also have your cholesterol tested for a fee of \$5. If you have any questions, please contact Kendra.

Air Conditioners

If you have an air conditioner or are thinking of getting one for your home, please stop by the office. There is a \$25 monthly fee that can be paid with your rent.

Dog Owners'

For your convenience we have recently provided a pet waste station located in the pet area. Thank you for your continued efforts in keeping our lawn looking good!
