Happy Summer Pine Ridge!

Message from Pine Ridge Staff

~Congratulations to all 2016 graduates at Pine Ridge Apartments!~

If anyone is in need of various hygiene products, clothes, or food please contact Kendra. These items may be available for you.

Please be sure that you are reporting all work orders to MHC staff. It is very important that we get them taken care of to make sure that your apartment is safe. We have a work order drop box by the housing office that is checked daily. If you have an emergency work order after hours, please continue to use the emergency pager number.

Don't forget that Heidi and Amanda are reachable by text messaging at **1-715-201-2971**! Text messages will only be answered during normal business hours.

2016 Bike Registration

ALL bikes need to be registered with the office and a **NEW** 2016 Sticker needs to be put on your bike. Any bike that does not have a new 2016 sticker will be removed from the bike rack on or after June 17, 2016. All non-registered bikes will be considered abandoned and will be donated within the community if not registered. All bikes that are not on the bike rack will be removed.

Air Conditioners

Summer is finally here and that means that you may be looking to install an air conditioner in your apartment. Air conditioners are permitted during the months of June, July, August and September. There is a \$25 a month fee. If you have an air conditioner, it **must** be registered with the office and please make sure it is being installed properly. More information regarding air conditioners can be found in your lease.

Community Room Furniture

Community room furniture is available for all tenants to utilize when needed. There are sign-up sheets on the piano in the community room. If you have any questions please stop by the window during normal business hours, we would be happy to help!

Thank you for making Pine Ridge a great place!

Dog Owners'

The warmer summer weather means that you and your pet will be getting out in the community more. Please remember to be courteous to your neighbors and clean up after your pet. Be sure that you are carrying small plastic bags to pick up any wastes that your pet may produce. Do not leave waste and messes in our yard or in your neighbors' yards. We are excited to announce a "Pet Waste Station" will be installed in the backyard soon, we hope this makes your responsibility of cleaning up easier for you.

Community Garden

The Pine Ridge Community Garden is well under way! If you are interested in more information or to volunteer please contact Lorie Jenerou at 250-3624 (text preferred).

Want to Get Involved in the Pine Ridge Community?

The Pine Ridge Resident Council meets the second Tuesday of every month at 4pm. Resident council meetings are held in the Pine Ridge Community Room. All tenants are welcomed and encouraged to join!
