

HOUSE RULES

I. PAYMENTS DUE

A. RENTAL PAYMENT

1. There is a minimum rent charge of \$25.00.
2. Rent can be placed in the rent drop box located outside of the Lake Superior Village office building. If the first of the month falls on a weekend or legal holiday, all current charges will be due in full on the next regular business day. The schedule of legal holidays will be posted on bulletin boards at the administrative office.
3. All payments must be in the form of check, money order or ACH (Direct Debit from bank). Cash payments over \$10.00 are not accepted. If an accommodation is needed to make a payment, arrangements will be made upon receipt of a written request.

B. PAYMENT AGREEMENTS

1. The tenant and owner must both agree on the terms of the repayment agreement. The tenant may wish to consult with HUD's Housing Counseling Agency in their area to assist them in working with the owner to reach agreeable terms for the repayment agreement. See the Housing Counseling Agency website for a listing of agencies for each state at: <http://www.hud.gov/offices/hsg/sfh/hcc/hcs.cfm>.
 - a. Monthly Payment. The tenant's monthly payment must be what the tenant can afford to pay based on the family's income. The monthly payment plus the tenant's total tenant payment (TTP) at the time the repayment agreement is executed should not exceed 40 percent of the family's monthly adjusted income.
 - b. Repayment Time Period. The time period for repayment by the tenant of the amount owed.
2. The repayment agreement must:
 - a. Include the total retroactive rent amount owed, the amount of lump sum paid at time of execution of the agreement, if applicable, and the monthly payment amount.
 - b. Reference the paragraphs in the lease whereby the tenant is in noncompliance and may be subject to termination of their lease.
 - c. Contain a clause whereby the terms of the agreement can be renegotiated if there is a decrease or increase in the family's income of \$200 or more per month.
 - d. Include a statement that the monthly retroactive rent repayment amount is in addition to the family's monthly rent payment, and is payable to the owner.
 - e. Late and missed payments constitute default of the repayment agreement and may result in termination of assistance and/or tenancy.
 - f. Be signed and dated by the tenant and designated property employee.
3. Owners must not apply a tenant's monthly rent payment towards the repayment amount owned that would result in an accumulation of late rent payments. The

monthly payment due on the repayment agreement is in addition to the tenant's monthly rent payment. *

4. *Reimbursement for Errors Discovered During a Monitoring Review
If, during a review of the tenant files, the CA determines that an error was made in the income calculation based on the income verifications on file that results in an under- or over-payment of rent by the tenant, unless the overpayment was due to the owner's error or the owner's failure to follow HUD's procedures, the owner must make the necessary adjustments to the tenant's rent for the period the error occurred. The tenant must reimburse the owner for any underpayment of rent and the owner must reimburse the tenant for any overpayment of rent. *
5. A down payment of either 10% of the total owed or 10% of the adjusted monthly income, whichever is less will be required to enter a repayment agreement and is due at the time the agreement is initiated.
6. The authority to accept a partial payment and/or grant an extension of time will be vested in the Project Manager and/or Executive Director of the management. Their decision shall be final. All requests for partial payment and time extension will be documented, stating the reason for the request and specifying the date the rent or other charges will be paid in full.

II. INTERIM RENT ADJUSTMENTS:

A. REPORTING REQUIREMENTS

1. Interim rent adjustments requested after the 20th of the month may not be completed prior to the end of the month.
2. Changes in income, family composition, and assets used to calculate rent shall be reported as referenced in the lease.
3. When the tenant experiences a change in household size or amount of income while remaining in the same unit, management will not make any change to the original security deposit amount.
4. Tenants in place at the time of the RAD conversion will retain their original security deposit paid at the time of their move-in. They will not incur an additional security deposit. All other rules pertaining to the security deposit described herein shall remain.

III: TRANSFERS

Transfers will be made without regard to race, color, national origin, sex, religion, familial status, marital status, sexual orientation, gender identity or disability. Tenants will not be transferred to an apartment of equal size except to alleviate hardship of the Tenant or other undesirable conditions as determined by the Project Manager or designee. Tenants can be transferred to accommodate a disability.

Tenants will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers.

A. The owner/agent will accept requests for transfer in the following situations:

1. Emergency or Safety
The household needs to move due to a life-threatening situation and the transfer will take priority over new admissions. Life-threatening situations include the following:
 - (a) Due to no fault of the Tenant(s), the apartment is uninhabitable and cannot be made habitable in a reasonable amount of time;
 - (b) A household member has experienced a medical condition which makes the current apartment uninhabitable or unsafe;

- (c) A household member is in danger of retaliation due to witnessing a crime;
 - (d) A household member is a victim of domestic violence, hate crime or extreme harassment and qualifies for VAWA protections.
2. Category 1 Administrative Transfers
A family member has a medical problem of a serious (but not life-threatening) nature and there is a verified need for a Reasonable Accommodation to be made for an accessible apartment.
 3. Category 2 Administrative Transfers
Transfers in this category include:
 - (a) Over Housed where the household is in an apartment that is larger than they qualify for according to the owner/agent's occupancy standards.
 - (b) Under Housed where the household is in an apartment that is smaller than they qualify for according to the owner/agent's occupancy standards or the family has had a qualifying event (see occupancy standards for the list of qualifying events) and requests a bedroom size for which they are eligible.
 - (c) Category 2 transfers will only be made if the family size is so small that it includes fewer persons than the number of bedrooms, or so large that the household members equal more than two persons per bedroom, taking into consideration family composition/makeup.
 - (d) These transfers will take priority over new admissions and are mandatory for the Tenant.
 4. Category 3 Administrative Transfers
Transfers in this category include:
 - (a) The family has an unneeded accessibility feature which the family does not require or no longer needs the accessibility features of an apartment in which they are living. However, there is not another family that needs that accessibility feature;
 - (b) If a family's size is between the smallest and largest size permissible for the apartment, the family may request a transfer, e.g. to permit older children of opposite sexes to have separate bedrooms;
 - (c) To avoid concentration of the most economically and socially deprived families;
 - (d) To address situations that interfere with peaceful enjoyment of the premises;
 - (e) These transfers will not take priority over new admissions. They will be processed at the rate of one transfer to four admissions.

Apartment transfer requests that do not fall into one of these categories will not be approved.

- B.** Existing Tenants must complete a Unit Transfer Request. The Unit Transfer Request must be completed and signed by the head of household and all adult household members who wish to move. The owner/agent will accept the Unit Transfer Request in an equally effective format, as a reasonable accommodation, if there is the presence of a disability.
- C.** Special consideration is given when the unit transfer is requested because there is:
 1. A verified medical need for a different apartment;
 2. A verified need for an accessible apartment;
 3. There is a need for an apartment transfer of a household that does not require the accessibility features of an apartment in which they are living to accommodate a disabled Tenant/applicant on the waiting list; or
- 4. A change in household size that makes the current apartment too large or too small for the family based on the owner/agent's occupancy standards.
- D.** With the exception of Emergencies and Reasonable Accommodations, unit transfers will be granted only if:
 1. The household has not given notice to move;

2. The Tenant is not being evicted;
 3. The Tenant is current for all outstanding charges; and
 4. The Tenant complies with lease provisions regarding decent safe and sanitary conditions of current apartment.
- E.** A household living in an apartment too large for its needs will not be required to move if there are no applicants waiting for the bedroom size to be vacated by the transfer. An appropriately sized apartment will be available before the Tenant household is required to move. At that time, the household will have thirty (30) days to complete the transfer.
- F.** Split-family transfers will be processed as Category 2 Administrative Transfers.
1. Families that split into 2 “new” households may be transferred to two different apartments or
 2. A portion of the “old” household may be transferred to a single apartment depending on family circumstances and apartment availability.
 3. Such transfers will be made in a manner that minimizes the impact on vacant apartments.

G. GOOD RECORD REQUIREMENT FOR TRANSFERS

1. In general, and in all cases of all Tenant requested transfers, Tenants will be considered for transfers only if the head of household and any other family members for the past two years:
 - (a) have not engaged in criminal activity that threatens the health and safety of Tenants and staff;
 - (b) do not owe back rent or other charges, or evidence a pattern of late payment;
 - (c) meet reasonable housekeeping standards and have no housekeeping lease violations; and
 - (d) can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities).
2. Exceptions to the good record requirements may be made for emergency transfers or when it is to Lake Superior Village’s advantage to make the transfer. (e.g. A single person is living alone in a three-bedroom apartment and does not want to move). The exception to the good record requirement will be made by the Director of Property Management Services. Absent a determination of exception, the following policy applies to transfers:
 - (a) If back rent is owed, the Tenant will not be transferred until a payment plan is established or, if prior payment plans have failed; back rent is paid in full.
 - (b) A Tenant with housekeeping standards violations will not be transferred until he/she passes a follow up housekeeping inspection.

H. COSTS OF TRANSFERS

Tenants shall bear the cost of transfers to correct occupancy standards. However, where there is a hardship due to health, disability, or other factors, the Property Manager may recommend that families be reimbursed for their out-of-pocket expenses for an occupancy standard transfer in an amount not to exceed a reasonable moving allowance established by Lake Superior Village.

Transfers requested or required by Lake Superior Village, including those for temporary relocation during, and all transfers for reasonable accommodations will be paid for or made by Lake Superior Village.

I. SECURITY DEPOSIT WITH UNIT TRANSFER

When a Tenant is transferred to a new unit with all other household members as a result of an owner/agent required move due to rehabilitation of the unit, the owner/agent will

not charge a new security deposit. The security deposit from the original unit will be transferred to the new unit.

When a Tenant is transferred to a new unit with all other household members for any other reason, the owner/agent will charge a new security deposit which is due at the time the lease is signed. A refund of the security deposit for the old unit less any outstanding amounts for rent, fees or damages will be refunded within 30 days after the keys to the original unit has been received by the Property Manager. If the move out expenses exceed the security deposit, the family will receive an itemized bill which must be paid within 30 days of receipt of the bill.
